KIDWELL'S

(OROBANCHE VIRGINIANA,) For the rapid cure of Cancer, Ulcerated Sore Throat, White Swelling, Bronchitis, Dropsy, Dyspepsia, and all Diseases arising from an Impure state of Prepared by J. L. KIDWELL, Druggist, George

History of the Beech Drop, or Cancer Root. THE BUECH DROP, OR CANCER ROOT, is figured and described by the celebrated Dr. Barton, in his Medi-

A knowledge of its extraordinary medical virtues was first learned from the North American Indians. by whom it was used for the treatment and cure of lancer, Rheumatism, Scrofula, and Consumption. The Fluid Extract of Orobanche is composed encircly of the products of the vegetable kingdom, so combined as to possess in the greatest perfection the virtues and powers of an alterative and purifier of the blood. It is, therefore, applicable as a neverfailing remedy in Scrofula, whether suppurative or landular, Chronic Rheumatism, Cancerous diseases in any form, especially cancerous diseases of the terus. In all complicated cases of Scrofula and yphilis, and in cases where the syphilitic virus of e parent causes a development of Syphilis or Scrofula in the child, this is the only remedy upon which hope of recovery can be reasonably founded.

It is useful in all scaly skin diseases, Ulcerated Sore Throat, White Swelling, diseases of the bone, and all cases of an ulcerous character. It is also particularly useful in Chronic and Nervous Comsints, occurring in debilitated and cachetic constitution; in Bronchitis, Dyspepsia, Chronic Enlarge ment of the Liver and Spleen, Dropsy, diseases of the Kidneys and Blander, and all diseases arising from

an impure state of the blood.

The estimate that is accorded this preparation by the medical profession, and indeed by all competent to judge of its merits, may be seen in the fact, that it is constantly prescribed by many of our most eminent; hysicians, and that it has been presented to their students as worthy of their especial attention. The following certificate is given from the very vee of Mercury, Imprudence in Life, or Impurity of | best authority-John R. Jones, late Assistant Clerk to the House of Representatives. His recovery is considered extraordinary. Most of the members of both Houses of Congress visited him at the St. Charles Hotel, and expressed their astonishment at the wonders effected by the Compound Fluid Extract

of Beech Drop: WASHINGTON, D. C., April 29, 1853. For the benefit of the pubeic, and with none other than a desire to do good, I cheerfully state, that I was afflicted with a cough and bronchial affection, from July, 1852, to March, 1853, and during that time was almost constantly confined to my room, laboring under great debility and severe cough. I had medical skill of the highest order, through whose treatment, and under the guidance of a higher than mortal power, my life was prolonged March, 1353, when I commenced the use of Dr. Kidwell's Beach Drop, or Extract of Cancer Root. Since that period I have taken about six bottles of the medicine, and it gives me pleasure to state that has effected an entire cure, with the exception of weakness, occasioned by long confinement to my room. I would advise all persons similarly afflicted to try it. I consider it an invaluable medicine. The humbugs usually palmed upon the public in the shape of certificates favorable to the virtues of medicines, almost deter me from giving mine; but a sense of justice and humanity alone prompt me to make the above statement.

JOHN R. JONES. Late Ass't Clerk Ho. of Reps., Washington. Now Chief of the Land Office, Vicennes, Ind.

OHRONIO RHEUMATISM CURED! GEORGETOWN, Jan. 31, 1853. DEAR SIR: It is with a sense of gratitude, and a desire that others suffering from disease may be induced to use the Extract of Beech Drop, that I consent to give the following statement for publicity. Until the last month I was a sufferer from Chronic Rheumstiam, from the effects of which my health war so completely undermined and broken up, that I lost 20 or 30 pounds of my usual weight. Anxious to find some relief, I reserted to the most approved patent medicines. I used a number of bottles Townsend's Sarsaparilla, and exhausted the list of times a night. The muscles of my legs were so contracted that I presented the appearance of a man of sixty-five when I walked. In this condition, more through curiosity than a belief in its good effects, I commenced the use of your Beech Drop, and in ten or twelve days the swelling about my joints had subable to resume my business, and can walk with the same ease and comfort that I formerly did.

Yours truly, &c., ISAAC BARRETT, Second street, Georgetewn. Georgerown, February 1, 1854. MR. KIDWELL-SIR: A female member of my family. aged 14 years, had been affected with a painful Scrofulous affection of the ear for 4 years, and although the best medical advice was had here and in Baltibecame almost intolerable. Fortunately for us, your Beech Drop was recommended to be used, and I have great pleasure in stating that it has been eminently successful. The Mucous Secretions has not made it appearance for some months; the health of the pa tient has been quite restored; all the parts that were heretofore so much diseased have become sound

I am very respectfully, your obedient servant, To John L. Kidwell.

Grongs Pos, Jr., Washington, D. C., December 12, 1853. John L. Kidwell: Dear Sir-This is to certify that my daughter, aged 2 years, was affected with Scrofla of a very aggravated form—the disease had so undermined her health, that life was entirely despared of. Hearing of the efficacious effects of your Beach Drop in such cases, I procured it, and after using one bottle so evident was her improvement that we persevered with it. When she had used 4 bottles, her health was perfectly restored. Our neighbors and friends who saw her condition prior to using the Beech Drop, unite in attributing to your remedy the credit of her recovery.

Very respectfully yours, WILLIAM R. McLEAN. To John L. Kidwell, Georgetown. Cure of Scrofula of ten years standing. The reputation of Mrs. Emerson, for the treat ment of Ulcers and Scrofula, &c., extends over the greater part of Maryland, Virginia, and the District

of Columbia. She will che-rfully give the particulars of the case named below, (which is remarkable) if visited at her house. Mr. Kidwell-Dear Sir: I had a lady under my charge of the highest respectability, afflicted with a complicated case of Scrofula, which entirely baffled the physicians for eight or ten years. Failing myself to arrest the disease, I was induced to use your preparation of Beach Drop, the effect of which has been miraculous after the use of three bottles. I consider her perfectly restored. I am now determined to use it constantly with my patients, fully satisfied that it excels any preparation known for

such diseases. Respectfully, E. EMERSON, Corner Wolf and Water sts., Alexandria.

PHILADELPHIA, March, 1, 1853. Pr. C. M. Jackson: Dear Sir-For the past two years I have been severely afflicted with Liver Com plaint, Dyspepsia, Bilious Diarrhoes, and Piles, suffering in a great degree constantly, the pains and inconveniences attendant upon such diseases, without energy, being scarcely able to attend to any business. I lost a great deal of my flesh, and used many kinds of medicine, with no apparent change, until commenced with your "Hooftand's German Bitters," they have entirely cured me. I have gained weight over forty pounds since I commenced their use, and I am now entirely free from pain and ache of any kind, and feel like a new man. I unhesital

Adams, pub. of the Argus, Weston Mo., July 17, 1851, said: "I was last summer so very low and weak as not to be able to stand at the case longer than one hour at a time. I tried one bottle of your German Bitters, which entirely cured me. I have used two bottles. I sent two bottles 150 miles from here to a friend who had been sick for a long time; he has also been cured by them. I believe them to be superior to any medicine new in use." E. B. Perkins, Marietta, Ohio, Feb 22, 1851, said: "Your Bitters are highly prized by these who have used them. In a case of Liver Complaint, or long standing, which had resisted the skill of several physicians, was entirely cured by the use of 6 Bottles."

F. Kesselmeir, Jeweller, Wooster, O., Dec. 2d, 1851, said: "I embrace this opportunity of informing you of the great benefit I have derived from the use of Dr. Hoofland's German Bitters. I have used them for Chills and Fever, and Disordered Stomach, and found relief in every case. They are the best remedy for Disordered Stomach I think in

I have used them for Dyspepsia and Indigestion, and take pleasure in stating that I think they are the very best remedy extant for the above complaints—
they are decidedly in the advance of all the proprietory medicines of the day."
